

# WHITE WIZARD

## Wavespell:

White Wizard is the Magician, whose powers are activated by wisdom that emanates from the heart. Such wisdom is not the intellectual understanding known in Western culture; it is the wisdom that comes from an alignment of mind and heart. An open, trusting heart is a refined tool of perception. Allowing yourself to 'not know' opens the door of the mind to a deeper understanding of the universe. White Wizard asks you to fully utilize this aligned mind to participate in magic.

White Wizard invites you to step into self-empowerment. Empowerment comes from self-acceptance, integrity, and commitment to your evolution. Self-empowerment is not to be found outside oneself. Anything outside that brings you empowerment also has a divine foundation within you. If you feel a need for the approval of others, look to *self-empowerment*. When you feel effectively engaged, doing what gives you joy, your energy naturally expands to include more of who you are, and magic flows synchronically into your life. Claim your alignment with the highest wisdom. Call forth divine action in all that you do!

*White Wizard's* action, direction in life is to **enchant**. The best description of that word includes the chant, the song, within it. A *White Wizard* knows spells, incantations, the right recipes for clarity and healing. They might naturally be poetic, old time spirituals coming through in song. They might lead us into trance, transcendence, with word and ceremony. The other part, though, is being threaded through with song themselves, encoded by the messages of Creator that are not linear discourses as much as reveries. The songlines of aboriginal Australia come to mind. A *White Wizard* holds a spiritual memory of so many incarnations, or beyond-carnal experiences where they were essence and closest to Universal Source, that they are filled with both literal chants, prayers and recitations as well as the stream of divine communication that exists outside words.

*White Wizard's* power – its offering to strengthen us in turn – is **timelessness**. There is a funny earth reality to this, always being early or mostly late, the absent-minded professor who can't adhere to artificial mechanisms like a clock or the 12-month calendar grid. What is the importance of starting and ending when in fact all of life is eternal and infinite, is both the presence of now and always was, always will be? To be timeless is not *out* of time, short on it, but to be without need of it as a concept. It's a deep metaphysical space we drift into blissfully when we forget the past and also to plan for the future. *White Wizard* people are naturally acclimatized to this present tense, as well as seeing the broadness of 'now': it's the last one hundred years, and the next, or even many current millennia. *White Wizard* is so ancient and enduring a perspective – the spiritual seers on earth helping others to open to infinite shades of darkness and light – it can remember and embody all of human existence and beyond. So to 'be here now' is deep, long-standing, untroubled by small wrinkles of confusion and chaos. The timelessness of a *White Wizard* people makes them never in a rush, and always aware of the circular nature of life's passages.

*White Wizard* has the essence of **receptivity**. Looking again at the glyph, we see the way *Hunab K'u* floats messages from the heavens, into the curtained abode of the sorcerer. We see, too, how the curtains are parted, inviting us in. *White Wizard* is receptive to Universal Source, to spirit communication, and is receptive to you, who need an emissary – when you are energetically or emotionally blocked – to help you find the way Creator is redirecting your life towards ease and comfort. *White Wizard* helps illustrate the process of healing, the place of pain within it, so you can trust the most benevolent outcome is on its way. This is your receptivity, imparted by the shaman in wisdom: that if you can see that life is always heaven-bound, in metaphor and in death, you can heal yourself agilely, redirect pain towards pure growth and self-emergence. The hardships don't slow or deconstruct you, but help you strengthen and arise in grace. *White Wizard* people are the keenest teachers in how to receive what we are given, in trust and gratitude that it is in truth a blessing.

*White Wizard* is antipodal, opposite, to *Yellow Seed*. While *Yellow Seed* is focused on growth on earth, synchronizing with the four elements and procreating, blooming, so that masses can be fed or beautified by its abundant presence, *White Wizard* is devoted to the non-sentient forms of reality. Together they create balance and harmony because the best form of nutrients, nurturance, is when a seed can blossom as an emblem of Universal Source's terrestrial presence, and feed the soul as well as the cellular needs of our body. *White Wizard* connects all forms of growth, and all stages, to ceremony and honoring of divine forces. It makes the hard shell of the seed buried deep in soil crack as an awakening to Universal Source, a revealing of our soft vulnerability and movement upwards toward light. *White Wizard* makes the flowering of *Yellow Seed* an otherworldly magic show, and *Yellow Seed* in turn offers its bloom for the *White Wizard's* shamanic healing remedies.

*White Wizard* is analogous, supported by *Red Serpent*. *Red Serpent* is an emblem of medicine, of a toxic hit that is the antidote to greater destruction – is in truth an affirmation of keenest life force. A serpent saves itself, and a wizard saves others. The relationship between them can develop empathy in the *Red Serpent* to use their potency not only for self-preservation but to help and heal many, and in the *White Wizard* to not endlessly sacrifice their own health and vitality in service to those weakened by trial and trauma. There is vulnerability, truly, in *White Wizard's* repeated exposure to dark forces, as well as in their wide open attunement to light. *Red Serpent* helps thicken the skin, slither past entrapment, and come closer to earth to be supported by its solidity.

*White Wizard* has a mystical, occult relationship to *Blue Hand*. The *White Wizard* enchantment is heightened by the healing hand, the hand that reaches to ascertain the malady, the hand that has touched and reassured so many it's an instant balm in itself. *Blue Hand*, in turn, is made mystical by *White Wizard's* receptivity to spirit, cannot only track cellular change but also the vibrations of an unseen realm. What *White Wizard* receives, *Blue Hand* releases. *Blue Hand* people can feel in this time and from this tribe their innate knowing move from the pragmatic and experiential to metaphysical understanding and compassion.

*Tone 11 represents the power of creative dissolution and dissonant structure.*

The gift of your cosmic identity is to access the power of Freedom. Activate your Spectral powers by releasing rigid concepts and definite notions of what should be; by being willing to explore an entire spectrum of potentiality; by surrendering to the “spectral flow” of spontaneous detours, seeming disruptions, and what may appear as chaos; by allowing structure to dissolve in order to be liberated into new possibilities; by celebrating the constructive forces of deconstruction; by learning to fluidly shape-shift; by freeing yourself and others from limiting perceptions; by letting go into the vastness of formlessness; by freeing your soul - releasing into the majesty of your full wing-span; by submitting your personal will to the Great Mystery as it reveals itself in every moment...
