

## Twenty Four Rays of the Heart

### FIRST RAY:

Color: Violet

Corresponding chakra: Crown

Unconditional love - It is seen as the ray of wisdom, illumination and self-knowledge. Yet at a deeper level, it is the ray that empowers you to see that the separate self is unreal and that separation is an illusion. It is through the first ray that you can experience the underlying reality that all life is one, because nothing can be separated from the Universal Source.

### SECOND RAY:

Color: Indigo

Corresponding chakra: Third Eye

Cosmic knowledge and Cosmic Service or our Service to Self and Service to Others – It is the ray of truth and vision.

### THIRD RAY:

Color: blue

Corresponding chakra: throat

Communication with Divine Consciousness

Traditionally,

### FOURTH RAY:

Color: Pink

Corresponding chakra: Heart

Quality through purity and harmony - the fourth ray has been seen as the seat of love, compassion, charity, appreciation for beauty and selflessness. Yet a deeper understanding is that the third ray is the seat of balance.

### FIFTH RAY:

Color: Emerald green

Corresponding chakra: Heart

Truth and Healing - the fifth ray qualities are seen as purity, hope and self-discipline. Yet at a deeper level, the fourth ray is the interface between your Spirit and your physical body and the material world. The question asked at the level of the fourth ray is whether you will allow the material world to have power over your Spirit, so you limit your expression in this world. Traditionally, the fifth ray qualities are seen as truth and vision

### SIXTH RAY

Color: Yellow

Corresponding chakra: Solar plexus

Represents inspiration and is known as the Ray of Invocation - the sixth ray quality is seen as peace, but it is a “peace that passeth understanding.” Thus, it is an inner sense of being unmoved by the dualistic appearances that are pulling at one from all sides. It is the ability to stand in the midst of a raging conflict and feel the stillness within.

### SEVENTH RAY:

Color: Orange

Corresponding chakra: Sacral

Represents Creation or Precipitation through the Divine or thoughtform create for us - the seventh ray qualities are seen as freedom, forgiveness and justice.

### EIGHTH RAY

Color: Luminous Green-Violet

A cleansing ray that assists you to cleanse and release old patterns of behavior and characteristics that are not productive for your spiritual being.

### NINTH RAY

Color: Luminous Blue-Green

The Joy ray and is connected with your light body and assists you to establish contact with it using the part of yourself to assist. The light body is recognized and becomes available when you attune to this light blue-green luminosity. You recognize it, and joyfully you acknowledge your own true divinity enabling the joy level to come into self and thus the connection with the light body becomes more and more apparent.

### TENTH RAY

Color: Luminous Pearl-Gray color (silver)

Assists you to truly recognize **The Divinity of who you are**. The divine pattern is truly established, truly connected by means of the tenth ray. Focus and let it be your hearts desire to establish this pattern strongly knowing that it is becoming a part of your conscious reality, and use this pearl-gray luminosity as the connecting point.

### ELEVENTH RAY

Color: Luminous Pink-Light Orange

This spiritual ray of Service is the threshold on the upward spiral to your divine self-ascension on the earth. It is the means by which your pattern of divinity is actually coded into the physical. This ray enables you to lock in the changes you are seeking. Use this ray to achieve integration with your Divine Self merging masculine and feminine polarities - using the Gold and Silver rays for this is the Key that lets you go over the threshold and solidly into the twelfth ray and total merging.

### TWELFTH RAY

Color: Luminous Gold

The Golden ray is the summit of the higher rays it is the culmination of all the lower rays merging into oneness with the Divine self. You will be walking in two worlds, earth and the etheric realms. What that means is that you will know what you are doing here on the esoteric level and joyfully will full immerse yourself in your Divine Mission. This is a creational Ray so that you are actively creating your world on a highly conscious level.

### THIRTEENTH RAY

*The Heart of Love and Universal Service*

*Color: Radiant Luminescent Silver-Pink*

This ray is the higher aspects of the feminine energies merging with the radiant pink to bring an understanding of universal service along with compassionate action.

#### **FOURTEENTH RAY**

*Universal Healing Master*

*Color: Radiant Luminescent Blue - Green - Gold*

Within this ray the Gold is the higher aspect of the Masculine which is transmuted together with the higher aspect of spirituality (Luminescent Blue) and the higher Healing Services of Luminescent Green. The ray allows you through the doorway of universal healing service. How this differs from the Thirteenth Ray is that it combines spiritual understanding (Knowledge & Wisdom) with the higher Healing in outward Action and Service Universally while the Thirteenth Ray concentrates on loving compassionate energies of service - the Fourteenth Ray goes a step further.

#### **FIFTEENTH RAY**

*Intellectual Wisdom and Global Consciousness Applications*

*Color: Radiant Luminescent Yellow-Amber - White Gold*

This ray has the intellectual Wisdom of the deepest level to accompany the alchemy of Masculine Feminine unity which is the merging of polarity. From this level you are called to go forth with the global consciousness applying it worldwide in all areas at the deepest discretion.

#### **SIXTEENTH RAY**

*Global Action with the Forces of the Light Frequencies*

*Color: Radiant Luminescent Orange-Russet - White Gold-Grey*

This ray works with the Elohim and the masters of light in activating Light Frequency Forces Globally. Light Frequency Forces are the energies of global peace, serenity, tranquility, intellectually awakened spirituality and thought. This is what you along with the light forces work on energetically globally.

#### **SEVENTEENTH RAY**

*Internal Merging of Intellect - Wisdom and Healing Service*

*Color: Radiant Luminescent Yellow-Green - White Gold*

This is the heightened level of the Fifteenth Ray as it is complete in its final stage of Intellectual Wisdom and Healing communicating it now to all levels of your being with this Seventeenth Ray.

#### **EIGHTEENTH RAY**

*Powerful Presence of Divine Will and Dynamic Action merged with Intelligence*

*Color: Radiant Luminescent Red-Yellow Gold and Silver=White Gold*

This ray goes all the way back to the First Ray and bring together a final truth of Ego-self merging with your own personal Power Presence of Divine Will and from this Dynamic Action with Intelligence is now activated to use globally.

### **NINETEENTH RAY**

*Divine Will and Your Direct Intellectual Creation with the Source*

*Color: Radiant Luminescent Yellow-Red-Magenta Gold and Silver=White Gold*

This ray radiates from every cell in your body, connecting you with everything in the multi-universe and beyond, the energies are now returning back to you in total connection.

### **TWENTIETH RAY**

*Totally Merged, Totally Unified, Totally Transformed Self*

*Color: Radiant Luminescent Indigo-Violet Silver & Gold=White Gold*

I release any and all energies that no longer service me and call into myself the Twentieth Ray of Luminous Indigo - Violet Silver & Gold=White Gold to activate within me Totally Merged, Totally Unified, Totally Transformed Self .

### **TWENTY-FIRST RAY**

*Transformed and Ready Service with the Multi-Universe Level*

*Color: Radiant Luminescent Brilliant Blue - Yellow - Violet with Gold and Silver=White Gold*

### **TWENTY-SECOND RAY IS A MASTER RAY**

*A Master Ray of the Light*

*Color: Radiant Luminescent White - Blue - Pink - White Gold*

### **TWENTY-THIRD RAY IS A MASTER RAY**

*A Master Ray of Merging with the Source (moving into the light yet still on earth)*

*Color: Radiant Luminescent White Pure Pearl-essence*

### **TWENTY-FOURTH RAY IS A MASTER RAY**

*A Master Ray Gateway to a Higher Level of Frequencies*

*Color: The Void - The Null Space - All Colors Combined*

*Like a black hole or worm hole of the creative source, this void takes us through another gateway to additional higher frequencies of Light. Release any and all energies that no longer service you and call into the Twenty-Fourth Ray The Master Ray of the VOID - ALL COLORS - INFINITY to Activate within you the GATEWAY to additional higher frequencies of Light from Source.*
