

# BLUE HAND

Wavespell:

Blue Hand represents the 'beauty way', the ability to see intrinsic beauty within yourself and in all things. Living the beauty way requires being in your full beauty and power. From this place, your self-authority naturally flows. This is the position where your ego is aligned with divine will. When you are standing in your full beauty and power, your very presence invites others to be all that they are. It represents the power found in completion. Blue Hand is seen as a closure, which is really an opening to another level of being.

*Blue Hand's* action – its direction in life – is to **know**. *Blue Hand* is about healing body, mind, heart and soul in holistic ways. They instinctively know that when we feel healthy, balanced and stronger, we are more energized, motivated and happy. *Blue Hand's* visionary eye assures them they will complete the cycle because their eye has the idea, and their hands have the tactile information. *Blue Hand* weaves the outer world to the inner world, contributing to the awakenings, as well as, using what is felt with fingers to add new dreaming to its imagination

*Blue Hand's* power is **accomplishment**. *Blue Hand* people are driven to accomplish – turning the initial image gained from their third eye into an outwardly recognizable finished product. Accomplishment is easier for them than doing nothing. *Blue Hand* people know how to get things done, and inspire the completion of a project just by holding this empowerment.

*Blue Hand* has the essence of **healing**. *Blue Hand* healers can effectively channel energy to affect positive results whether by actual methods for curing a body of sickness or disease, or by art that inspires others to imagine and realize their own dreams. *Blue Hand* people heal by direct contact, teaching that touch is an outreach of both the heart and the divine wisdom that comes from intuition.

*Blue Hand* is antipodal, opposite, to *Red Earth*. *Blue Hand's* upper chakras of divine insight and expression are balanced by *Red Earth's* root system, the gift of regeneration through transformation. *Red Earth's* slow and constant journey around the sun is a circular completion, an accomplishment in time and space, but it doesn't necessarily yield a physical result. *Blue Hand* creates a state of equilibrium and provides a balance in the **cycling** of the elements between *Red Earth* root environments. This balance challenges *Red Earth* people to get something done and make a tangible finished product. *Red Earth* provides *Blue Hand* with lower chakra desires and motivation to strengthen their artistic output, as well as, their healing power to involve the keenness that comes from our sexuality, sense of physical survival, and acceptance of death and decay as it is held for rebirth.

*Blue Hand* is analogous, supported by *Yellow Human*. *Yellow Human* is shaped by its ability to use its third eye and hands to make tools for survival. For all the destruction human hands have the ability to render, *Blue Hand* counterbalances as the healing aspects for our guilt and remorse. *Blue Hand* supports *Yellow Human's* undoing of excessive force and wanton supremacy over other species. Likewise, *Yellow Human's* emerging humility can support *Blue Hand* people in dedicating their lives to acts of healing.

*Blue Hand* has a mystical, occult relationship to *White Wizard*. *Blue Hand's* inner eye, that visionary connection to a great Universal Source's eye, is informed by the connection to *White Wizard's* shamanic mastery and access to the astral state. Otherwise, the round, open eye of the glyph would be a guileless gaze into our literal earth reality. *White Wizard's* ability to make metaphysical magic into potent cellular healing – removing energy blockages that in turn cure disease – is an enchantment that involves the willingness to move penetrating insight into physical transformation.

**Tone 13: Cosmic**

*Contemplate these code-words to invoke your key powers:*

**ENDURE ~ TRANSCEND ~ PRESENCE**

*Tone 13, symbolized by the spiral, represents the dynamic of movement present in everything and by which everything is ever-changing and vivified by universal, cosmic life force.*

The gift of your cosmic identity is to access the power of Omnipresence. Activate your Cosmic powers by being a disciple of the present moment; by cultivating your capacities to be wakeful and receptive to each new now; by going beyond the rational mind and letting yourself think with your ancient heart; by being conscious of your continuum, while still living in the moment; by learning to “ride the spiral,” ascending to higher levels of being; by allowing your cosmic spirit to carry you through the many journeys of trial and triumph this life has to offer; by transcending fears of the future; by transcending regrets of the past; by transcending the limits of linear time and synchronizing with the radial flow of synchronic reality; by recognizing us all to be but evolving children of an ever-unfolding cosmos...
