

WHITE WIND

Wavespell:

The White Wind represents the Spiritual realm in the form of the breath of life, the words of life, the Universal Source, and all kind of spiritual telepathic communication. In this way, the White Wind symbolizes the Divine Breath which comes through the Throat Chakra akin to our higher self or ethereal spirit. In this way, the Power of Spirit can actually transform reality through the practice of positive affirmations and the speaking or signing in tongues.

The White Wind thus invites us to embody our truth and therefore, our own Divine Destiny.

White Wind's action, is to **communicate**. Their tendency is to speak volumes in some situations or to say nothing for long periods of time. Its as if their spirit has ascended to a higher plane. What is communicated by a *White Wind* will resemble a sacred offering from beyond this time and space. They can seem to not hear you in return, but in truth they are seeking Source for further instruction or insight. Their attention is not solely on humanity in the here and now, but instead upon the unseen world which is abstract or ether. What they want to communicate is just that, the simplicity or existence, that is much larger than what we are building within it. They would rather seek the knowledge than touch, but to be intimate with them is to feel their representation of the spirit world, that they emanate its infusion as a divine resonance field.

White Wind's power is **spirit**. It has a direct link to the Universal Source, an intelligent energy represented by spirit. *White Wind* teaches us about this divine realm, its sacred messages, the feeling of simplicity and quietude. *White Wind* is the integration of polarities within you. They represent the polarity as the loom on which your reality is strung, the magnetic dance of universal forces playing in unison throughout your life. They understand polarity is an important alchemical process used in the transmutation of form and matter. They see those polarities held in our relationships, our male and female aspects, even the manifestation of karma. They show us that our polar aspects in all things must come together in truth. *White Wind* are the creative field for the integration of the larger patterns of duality. The potential in all relationships is moving toward trust, openness, and unconditional acceptance. Their spirit is larger than their physical body, envelops us even at the edges of their vast soul expanse. They may never show up face to face again after a first meeting, but are still unforgettable.

White Wind has the essence of **breath**. It represents the influx of something divine to fortify a physical world. *White Wind* people will move as slowly as the pace of stable breathing most of the time, with occasional bursts of exhilaration or invigoration. They cannot sustain anxiety-fueled panic states for long without an inner death that looks like them disappearing, stopping everything to recalibrate. Their gift is to draw others around them to synchronize with the slowing, calming rhythm they hold, with their concern only for what's most essential.

White Wind is opposite to *Yellow Human*. *Yellow Human* represents your *Challenges and Gifts*. With maturity and awareness this challenge will turn into a *Focus*. This is what you desire to learn in this lifetime. To be human is flesh, and holds many tales of pleasures, pain, and suffering. Being spirit is beyond the confines of the body and is separated from all its suffering, pain and pleasures. In obvious ways these two tribes are at polar opposites, removed from each other in the physical and emotional aspects. In reality, they need each other. A human requires breath or the spirit to live. The wind needs its invisibility to take shape through the physical form it influences. *Yellow Human* is preparing your circuits for complete transformation, readying them to receive the high-frequency pulses of the full embodiment of essence from Spirit.

White Wind may not fully understand what it means to be human. Perhaps you judge yourself as not having realized your full potential. In the illusion of human limitation, you may be surprised to discover what the realized human is designed to do. Being in human form at this time is a unique and precious gift. You have chosen to participate in a great miracle, and you can utilize your human form to experience fully this unique opportunity! *White Wind* knows if they move away from humankind through isolation, they deny their purpose of communicating spirit's message.

Cosmic Consciousness resonates within you. *White Wind* is the support and similar energies to *Red Earth*. Both realize they are basic elements: body and spirit, planet and atmosphere. *Red Earth's* environment is alive and reacts to your awareness of it; therefore, the way you perceive the Earth and your physical form affects the information you receive. *Red Earth* helps *White Wind* draw upon and discover ephemeral rooting, alighting beyond the fettering of the airwaves. *Red Earth* moves through cosmic space as if sailing on currents of wind, with the understanding they have this constant seeking, roaming, spinning motion in common. They both simulate flight, of being on a current or trajectory path. They represent the entire themes of history, science, and the sacred mysteries. Neither is limited to animal form, and both host animal kind in its vast expanse. They are the seamless patterns of the most natural world.

White Wind has a mystical, **occult** relationship to *Blue Storm*. They are both strong forces, one that tends toward invisibility and the other is a thundercloud full of purifying rain, and lightning that shatters any false structuring of reality. Together, they create a kinetic upheaval by clearing and quickening your physical, mental, emotional, and etheric bodies. Wind moves and directs the storm, a combustion of fire and water in the sky, so that its intensity can be dispersed and exhausted. If *Blue Storm* is a kind of traveling omnipotent transformation, *White Wind* is the helper agent to direct it to those in need. In life, *White Wind* is the both the message and the messenger from Universal Source; *Blue Storm* gets people's attention to listen. It's a blast, a breakthrough, and then the human requiring change of heart, spirit, attitude is opened enough for the wind to penetrate. *White Wind* and *Blue Storm* relationships are thrilling but hard for those around them. They can't go on forever at that fever pitch.

1. Upon the wind are the whispers of time and the music of the Universe.
2. Love unconditionally, despite the flaws you see.
3. We are but a vessel upon the sea of life; our thoughts are the wind and our knowledge is the sail.
4. Our truths are like the wind, inexhaustible, infinite, and renewable.
5. Some things are better left, untouched by words.
6. In each moment, there is a perfection untouched by time.
7. Life is like a candle in the wind. It burns brightly to show the way or the harsh breath of the wind blows it out of existence.

Contemplate these code-words to invoke your key powers:

ENDURE ~ TRANSCEND ~ PRESENCE

Tone 13, symbolized by the spiral, represents the dynamic of movement present in everything and by which everything is ever-changing and vivified by universal, cosmic life force.

The gift of your cosmic identity is to access the power of Omnipresence. Activate your Cosmic powers by being a disciple of the present moment; by cultivating your capacities to be wakeful and receptive to each new now; by going beyond the rational mind and letting yourself think with your ancient heart; by being conscious of your continuum, while still living in the moment; by learning to “ride the spiral,” ascending to higher levels of being; by allowing your cosmic spirit to carry you through the many journeys of trial and triumph this life has to offer; by transcending fears of the future; by transcending regrets of the past; by transcending the limits of linear time and synchronizing with the radial flow of synchronic reality; by recognizing us all to be but evolving children of an ever-unfolding cosmos...
