

# YELLOW SUN

Wavespell:

Yellow Sun is a reminder that you are, at every moment, in the center of All That Is. In your journey of remembrance, you are crafting a light body to return to a home in the stars that you never really left. Return as a child of the sacred to the Great Central Sun! You are the crown of creation, infused with the blueprint of solar mind. You are the reflection of cosmic consciousness.

As you move toward your core of light, you will find a clear-light awareness that is innately innocent. In this place, the mind is restored to its original state of receptivity. Clarity and freedom become expressions of being, and bliss becomes the body. At this core of light, a new reality is born. From the union of the divine masculine and feminine is birthed the solar androgyny of cosmic consciousness.

*Yellow Sun's* action – its direction in life – is to **enlighten**. The truth of astral physics is that the sun shines the brightest light in our universe and without it we would live day as night with only the pinpricks of stars to guide us. The solar source keeps us blessed from eternal darkness, a deep spiritual proclamation. *Yellow Sun* carries this analogy as a teaching: let this time, and your *Yellow Sun* nature, be the beam that penetrates the unknown, or illuminates your way when you feel lost – is a hallmark for being at home under its influence no matter where you journey, how far into the pitch black you peer to find hidden gems and forgotten parts. *Yellow Sun* people teach others how to choose the light, how to be seen instead of hardly visible. If they blind us at all, its with astral clarity, cosmic wonder, asking us to ignore banality or passing interests in favor of one message, one inspiration, a full color spectrum of divine guidance that the sun offers us.

*Yellow Sun's* power – its offering to strengthen us in turn – is **universal fire**. No other day sign sings of the element fire, praises its transformation of earth to air, and the evaporation, too, of water. *Yellow Sun* is a transmuting agent of alchemy: it melts metal, fuses minerals, disappears oceans, bakes earth. *Yellow Sun* people have this power of shapeshifting – applying their potency not to personal change, but the rapid – or slow burn – alteration of others. They influence others to alchemically redefine themselves. If you were once too fluid, unformed, *Yellow Sun* will make you arid and synched with Spirit. If you were blocked, hardened with frozen tension, the warmth will soothe you to lay down and become passive. The fire is universal, meant for everyone, and *Yellow Sun* doesn't choose special recipients for its gift; rather, it touches down, radiates change, and moves along to the next neediness, staying bright and burning off the poisonous emissions in its midst.

*Yellow Sun* has the essence of **life**. Life is all that has been described: being too cold to relax, then warmed to ecstasy; being in the flow, or asked to rise above it for a while in meditation with the spirit world. Life is touching another with your heat so they are soothed, or moving back a distance when they cite your fiery nature as the thing burning them by degrees. Life is being sunshiney, a happy face, and life is the lack of direct connection to source – the emotions trapped in cloud density and drippy with tears. When we feel into the *Yellow Sun* nature, we see its influence and inspiration everywhere. We feel even its solidity – for what it lacks in earthen mass it revives in the constancy of daily return. *Yellow Sun* is always there, busily burning or merely brilliant, and *Yellow Sun* people are as vital, unstoppable and eternal. *Yellow Sun* people lead us back to the truth of our aliveness, especially when we feel deadened, downtrodden into the layers of dark earth existence.

*Yellow Sun* is antipodal, opposite, to *White Dog*. *Yellow Sun* is a non-animal entity, ether and filaments of light. *White Dog* is a cellular mammal, all instinct an open heart. One is enlightenment, other the base instinct to always love. *White Dog* offers dedication, devotion and loyalty, and *Yellow Sun* receives and blesses it. *White Dog* is warm-blooded, sometimes in heat, and generates its emotional empathy from the *Yellow Sun* source. *Yellow Sun* considers the mammals special emissaries of solar power because they are not cold, reptilian, clinical in their life stance. The antipodes work together to bring sunny warmth to the terrestrial world. *White Dog*, like an army of angels, moves through the land with warm love. *Yellow Sun* can burn us but *White Dog* just softens and soothes. You can see the dogs in the sun, battery powered on beams, soaking up the life force and then nuzzling us under the table legs at dinner so we, too, can feel residue of the day's kind warmth.

*Yellow Sun* is analogous, supported by *Blue Storm*. *Blue Storm* is the strongest prevailing force against confusion – cloud cover – and its dispersal. *Blue Storm* is the transition from blank whiteness, overcast that leaves a dull gray glaze over life's Technicolor, back to brilliant glowing sunshine. *Blue Storm* sacrifices itself for the sake of *Yellow Sun*; it churns all its collected molecules into an emotive explosion of rage, an outpouring of tears, and then it's gone. It's the bad cop, and *Yellow Sun* is revealed just after in angel light to soothe and warm. *Yellow Sun* needs *Blue Storm* in order to be seen when other forces obscure it. *Blue Storm* needs *Yellow Sun* to help it slow its emotionality, to dry tears and slow the turgid outrage. *Blue Storm* and *Yellow Sun* take turns leading the world's moods from chaotic and charged to sweet, passionate. When sweet turns to sweat, the rain soothes. When dark introspection becomes suicidal, the sun enlightens and offers solace.

*Yellow Sun* has a mystical, occult relationship to *Red Dragon*. They work together so beautifully to create the mystery of an incarnation on earth. *Yellow Sun* sparks life – the conception moment between parents, or the seed's descent into soil. It's the divine-origin idea to come into existence. *Red Dragon* is the vessel of emergence – the womb, the seed-hole, the deep ocean, the egg – and comparatively dark, damp, empty. *Yellow Sun* then beckons outward and upward movement, evaporation and liberation from hiding, shelter. Invariably we duck in and out of each paradigm, into the maternal vessel, out into the paternal ethers. Sun Universal Source, earth Universal Source. An arc of astral travel, a lap for resting and regeneration.

The gift of your cosmic identity is to access the power of Omnipresence. Activate your Cosmic powers by being a disciple of the present moment; by cultivating your capacities to be wakeful and receptive to each new now; by going beyond the rational mind and letting yourself think with your ancient heart; by being conscious of your continuum, while still living in the moment; by learning to “ride the spiral,” ascending to higher levels of being; by allowing your cosmic spirit to carry you through the many journeys of trial and triumph this life has to offer; by transcending fears of the future; by transcending regrets of the past; by transcending the limits of linear time and synchronizing with the radial flow of synchronic reality; by recognizing us all to be but evolving children of an ever-unfolding cosmos...
